Financial Responsibilities for School Year 2010 - 2011 for grades K-8

The costs of educating a student at the Academy of St. Therese far outweigh the tuition payments provided by the school families. Therefore, all services will be withheld if the tuition is in arrear by two months. This is Diocesan policy.

Our school budget is comprised primarily of the following 3 components:

1. School tuition;
2. Time and talent contributions;
3. Mandatory fundraising

We encourage all families to become active participants in our school community, but recognize that other responsibilities may make active involvement impossible. In those circumstances, we offer buy-out options both for "mandatory fundraising" and for the "time and talent" portions of your commitment to the Academy of St. Therese. **Tuition payments are made to our tuition collection agency, FACTS, on the 5th day of the month. Payments not made by the 10th of the month will be charged a fee of \$25 per missed payment. Tuition paid in full on or before July 5, 2010 will receive a 5% discount.**
